

To Friends, Members, and Kalakala supporters:

Press Release for Immediate Release November 6, 2008 12:01PM

MV Kalakala: Cover Letter and Public Hearing Presentation, Port of Anacortes Commissioners meeting November 6, 2008 in Anacortes, WA.

I am forwarding onto all of you a copy of our 15 minute presentation that will become a public record tonight within the Port of Anacortes. We are presenting this as a future Kalakala project within the City of Anacortes, WA. at 7PM November 6, 2008. And, we meet with the Washington State Department of Transportation November 7, 2008 1:30PM.

Please read our petition and consider signing it. We have had 199 signatures between October 28, 2008 to November 6, 2008. We need many more! So, please help if you have not already and sign this and send it onto all your friends and family. I appreciate all of you that have already signed.

Petition Link for seeing many good comments and status:

This presentation recognizes the history of the MV Kalakala, but is truly about a her future and having a second chance within a safe haven where see, once again, make a difference within a new community. This is a seed that we have been working so hard on to plant it into a good community. We hope to establish a great public-private community project, and have a new beginning towards saving a treasure within our State and America.

Best regards, Steve
